

WESLEY METHODIST SCHOOL KLANG

NEWSLETTER

Congratulations to the students, parents and staff of Wesley Methodist School Klang for successfully participating and carrying out the Cross Country and Annual School Sports.

In pursuit of holistic education we continue to carry out different activities. Coming up in April and May are our Honours Day, Open Day and Musical. The Honours Day on Saturday, 14th April 2018 is the day we honour all our academic achievers. Our students prove that they are not only able to participate in co-curricular activities but also in the academic field. On the same day and the next (14th & 15th April 2018) we are holding our Open Day at the Education Fair in Klang Parade organized by the Rotary Club of Klang. Students, teachers and non-teaching staff will participate in the Open Day by displaying their masterpieces and meeting the public. The students and teachers are also busy preparing for the Bi-annual School Musical. This year we are producing our version of Mulan. The students and teachers are busy preparing for the Musical which will be held on Saturday, 5th May 2018.

In the Academic field, the students did their first assessment in the form of the first monthly test in February 2018. Their next major assessment will be the Mid-year examination in May and June 2018.

Our teachers and staff are committed in assisting our students to go above and beyond in all their undertakings. The teachers keep abreast with the latest methods of teaching to enhance and enable students to be creative and critical in their thoughts and be able to face challenges.

With God's blessings, Wesley Methodist School Klang will continue to strive and impact lives through our core values: God-centeredness, respect for life, integrity and excellence with humility.

2018 promises a new and exciting year for Wesley Methodist School Klang and we are pleased to publish our inaugural newsletter.

One of our students, Maria Ngor Zhuong Zhi (3 Faith) did our school proud by winning the MSSD Girls' Singles Badminton Championship. She also won bronze medals in the singles and doubles of the Selangor Girls' Inter-School Badminton Championship. We hope that she will continue her winning streak next year.

Below is a chronological report of some of the **SCHOOL ACTIVITIES** this year:

FORM 1 ORIENTATION 2018 Saturday, 30th December 2017

Orientation for Form 1 students, of the 2018 batch, was held on 30th December 2017, Saturday. It was aimed at briefing the new students on the activities that are being conducted in the school. Through this, students got an overview of how life is like in WMS Klang. This session was conducted at the school's basketball court and in the School Hall. This programme was run by the teachers, with the help of some prefects. Lastly, all the new students were introduced to their respective homeroom teachers, after which, they were brought on a tour around the school.

CROSS COUNTRY 2018 Saturday, 20th January 2018

This year's Cross Country event was held at Stadium Sultan Sulaiman in Klang. The event began with an aerobic session as warm-up, which was led by Red House members. Before the students were allowed to start the race, teachers proceeded to their respective checkpoints. This ensured students' safety throughout the event. The first student took about 30 minutes to finish the 5km run. The prize-giving ceremony was held on Monday, 22nd January 2018 during the school's morning assembly. The overall champion for Cross Country 2018 was the Green House.

LEADERSHIP CAMP 2018 26th to 28th January 2018

WMS Klang organised a leadership camp for the student leaders of this school. It was a 3-day and 2-night trip, comprising of students, who are prefects, librarians, monitors and assistant monitors, presidents and vice presidents of clubs, societies and uniform bodies, sports house captains and vice captains, with several teachers. The camp was held at Kempville Beach Resort, in Kuantan, Pahang, and the activities were conducted by trained professionals. At the end of the camp, students were seen to be more confident and had much better self-discipline, which was in line with the aim of this camp: to develop students' skills in public speaking, and understand the importance of team work in various activities.

RETIREMENT CEREMONY 2018 Tuesday, 30th January 2018

30th January 2018 was indeed a memorable day for all in WMS Klang. It was the retirement of our beloved Vice Principal of Academics, Mdm Fernandez, who had served the school for 24 years. An array of activities was arranged by both the students and staff of WMS Klang to show their appreciation. Also present for the event to honour Mdm Fernandez were a representative from the WMS Board Member, officials from COE, the School Chaplain, Chairman of SCSC, former principals, teachers, students, the canteen operator, and her family members. The event ended at 12.30 p.m., as the school bade farewell to Mdm Fernandez.

INTER-HOUSE GAMES CARNIVAL **Friday, 9th March 2018**

The Inter-house Games Carnival commenced with a March Past Competition at the school basketball court. The Carnival was organised to replace the Sports Day as athletic events could not be carried out due to the closure of the Municipal Council Stadium for renovation. All the participants of the Red, Blue and Green houses displayed their creativity in their unique group formation and looked resplendent in their colourful uniforms. This was followed by inter-house basketball matches in the Boys under 18, under 15 and Girls Open categories. Officials for the matches included two guest referees. The matches were punctuated by an inter-staff netball match and prize giving ceremonies for winners of events held earlier. The finals for shot putt, discus, futsal and handball were held in the weeks preceding the Basketball Carnival. The Carnival ended at 1.00 p.m. and Blue House was declared the overall winner.

INTER WMS CF CAMP 2018 **Fri-Sun, 16th - 18th April 2018**

This year's Camp was organised by WMS Seremban and it was held at Prayer Mountain Miracle Centre, Kuala Pilah, Negeri Sembilan from 16-18 March 2018. Six of our students from various forms attended. It was a 3D2N camp and the theme was: "Who am I? My Identity and Purpose". The Speaker was Marianne Liaw from Scripture Union. This camp was to provide the opportunity to our students to deepen their

relationship with God through the understanding of their identity in Christ and their purpose in life. Overall the students had a good time and it was also an opportunity to meet with students from the other Wesley schools. Students were also able to bond their relationship with fellow students and teachers.
