9A's Scorer in PT3 2014

Hard work and teachers' guidance

My achievement of obtaining full A's for my PT3 exam is due to hard work.

I would like to thank

...my parents for sending me to WMS Seremban.

...my teachers, they are really amazing. They helped me by giving extra coaching and showing me the right path.

...my friends especially Swarna, Suvithaa and Chong Xin Li who helped me all the way and for giving me encouragement and support.

...my mother for giving me encouragement and for sending me for tuition.
