10A's Scorer in SPM 2014

I would like to thank all my dedicated and hardworking teachers. They were ever willing to help me whenever I had problems with my studies. This care and commitment from my teachers greatly contributed to my outstanding results in my SPM 2014 examination. I scored 10 As.

So dear students, you must not hesitate to approach your teachers whenever you face problems in your studies. Your teachers will be able to help you as they helped me. Other than that as students, you have to do your part and revise your work every day to ensure that you understand the contents and reinforce your knowledge of the subjects learnt.

Once again, I would like to thank all the teachers for their teaching and guidance.
