

Metal Straw Sale 2018

From the 2nd of October 2018 to the 22nd of November, 2018, the Eco School Committee and Interact Club of Wesley Methodist School Kuala Lumpur (International) has had a conjoined metal straw sale. The objective of this sale is to raise awareness on the harmful effects of using plastic straws and to allow students to make a change in the environment.

A skit that was prepared by the members of both the clubs was presented to the school on the first day of the sale during assembly. 2 days later, all students have also partake in a pop quiz prepared by both the clubs. Promotional posters were also pasted all around the school compound.

The metal straws sold includes a pouch and also a cleaning brush. Each set was sold at RM 7. Students have a variety of straws to choose from, from bent to straight and 5 different colours, namely black, silver, gold, rose gold and rainbow. A total of 992 straws were sold to both students and the staff of the school. A grand total of RM 6944 was collected and all will be donated to Blue Life Ecoservices Bhd (Blue Life) once school reopens.

Blue Life Ecoservices is a non-profit, non-political and non-governmental organisation which works to increase the environmental, social and economical value of disadvantaged communities, by empowerment and the developing of sustainable community. Blue Life works to increase the environmental, social and economical value of disadvantaged communities, by empowerment and the developing of sustainable community.

All in all, this sale was a success.
